Contributor License Agreement

In order to clarify the intellectual property license granted with contributions from any person or entity, we must have a Contributor License Agreement (CLA) on file that has been signed by each contributor, indicating agreement to the license terms below. This license is for your protection as a contributor as well as our protection; it does not change your rights to use your own contributions for any other purpose.

You accept and agree to the following terms and conditions for your present and future contributions submitted to us. Except for the license granted herein to us and recipients of software distributed by us, you reserve all right, title, and interest in and to your contributions.

1. Definitions.

“Agreement” shall mean the standard terms and conditions in this document.

“Travel Wallet” means the product, work or materials contained within the Travel Wallet project, including but not limited to compiled software source code, object code, configuration files, and documentation.

“We”, “Us”, or “Our” shall mean all current and future owners or owning bodies of the Travel Wallet.

“You” or “Your” shall mean the copyright owner or legal entity authorized by the copyright owner that is making this Agreement with us. For legal entities, the entity making a contribution and all other entities that control, are controlled by, or are under common control with that entity are considered to be a single contributor. For the purposes of this definition, “control” means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

“Contribution” or “Contributions” shall mean any original work of authorship, including any modifications or additions to an existing work, that is intentionally submitted by you to us for inclusion in, or documentation of, Travel Wallet or any part thereof. For the purposes of this definition, “submitted” means any form of electronic, verbal, or written communication sent to us or our representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, us for the purpose of discussing and improving Travel Wallet, but excluding communication that is conspicuously marked or otherwise designated in writing by you as “Not a Contribution.”

“Copyright” means all rights protecting works of authorship owned or controlled by you, including copyright, moral and neighboring rights, as appropriate, for the full term of their existence including any extensions by you.

2. Grant of Copyright License.

You retain ownership of the copyright in your contribution and have the same rights to use or license your contribution which you would have had without entering into the agreement.

With respect to any worldwide copyrights, or copyright applications and registrations, in your contribution:

- you hereby assign to us joint ownership, and to the extent that such assignment is or becomes invalid, ineffective or unenforceable, you hereby grant to us a perpetual, irrevocable, non-exclusive, worldwide, no-charge, royalty-free, unrestricted license to exercise all rights under those copyrights. This includes, at our option, the right to sublicense these same rights to third parties through multiple levels of sublicensees or other licensing arrangements;
- you agree that each of us can do all things in relation to your contribution as if each of us were the sole owners, and if one of us makes a derivative work of your contribution, the one who makes the derivative work (or has it made) will be the sole owner of that derivative work;
- you agree that you will not assert any moral rights in your contribution against us, our licensees or transferees;
- you agree that we may register a copyright in your contribution and exercise all ownership rights associated with it; and
- you agree that neither of us has any duty to consult with, obtain the consent of, pay or render an accounting to the other for any use or distribution of your contribution.

2. Grant of Patent License.

For patent claims including, without limitation, method, process, and apparatus claims which you own, control or have the right to grant, now or in the future, you hereby grant to us a perpetual, irrevocable, non-exclusive, worldwide, no-charge, royalty-free license to:

- make, have made, use, sell, offer to sell, import, and otherwise transfer your contribution in whole or in part, alone or in combination with or included in any product, work or materials arising out of the project to which your contribution was submitted, and
- at our option, to sublicense these same rights to third parties through multiple levels of sublicensees or other licensing arrangements.

3. Contribution License.

We may license the contribution under any license, including copyleft, permissive, commercial, or proprietary licenses.

4. Agreement Effective Date.

The rights that you grant to us under these terms are effective on the date you first submitted a contribution to us, even if your submission took place before the date you sign these terms.

4. Transfer of Rights.

If you or we assign the rights or obligations received through this agreement to a third party, as a condition of the assignment, that third party must agree in writing to abide by all the rights and obligations in the agreement.

4. Agreement.

You covenant, represent, warrant and agree that:

- each contribution that you submit is and shall be an original work of authorship and you can legally grant the rights set out in this agreement;
- to the best of your knowledge, each contribution will not violate any third party's copyrights, trademarks, patents, or other intellectual property rights; and
- each contribution shall be in compliance with U.S. export control laws and other applicable export and import laws. You agree to notify us if you become aware of any circumstance which would make any of the foregoing representations inaccurate in any respect. We may publicly disclose your participation in the project, including the fact that you have signed this agreement.

This agreement will be governed by and construed in accordance with the laws of the State of Texas and applicable United States federal law. The invalidity, illegality, or unenforceability of any one or more phrases, sentences, clauses, or sections in this Agreement does not affect the remaining portions of this Agreement.
